PRODUCT DESCRIPTION

Quick Connect™ multipoint canopy for use with low voltage Quick Connect™ QP series pendants and QF series track heads. Designed to be installed on ceilings or wood surfaces.

FEATURES

- 3 x 1W minimum load required
- 3 x 60W Integral electronic transformers
- Smooth and continuous ELV dimming

SPECIFICATIONS

- **Power:** Contains 60W integral 12V electronic transformers (3)
Electronic transformers have advanced auto-reset, soft start and short circuit protection features. The soft start delayed lamp start feature extends lamp life by delaying the abrupt inrush current to the lamp.
- **Standards:** UL & CUL listed
- **Mounting:** Mounts over a standard 4" junction box. Base plate covers junction box opening, the canopy attaches to base plate with three screws. There are two trade sized knockout on the base plate.
- **Materials:** Etched glass fascia plate as a decorate element. Back plate is galvanized steel. Three transformers (model EN-1260-R-AR) are electronic low voltage, pre-wired into three quick connect adaptors. Mounting hardware, including screws and wire nuts.
