Ordering Example (model number – finish): SFC-150E-WT

Electronic Transformers

SST Models:

SST-60E-color
SST-150E-color

Available in Black (BK) or White (WT)

Description

Surface mounted 60w or 150w electronic transformer for installation at the end of a track or used as a remote. The SST-60E and the SST-150E have a built in on-off switch. Knockouts at the end for track sections. An SLE Live End Connector is required for each track section to be energized.

SST-60E: 5"L x 1 5/8"W x 1"H

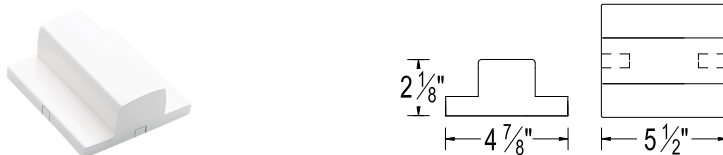

SST-150E: 7"L x 2"W x 1 1/2"H

U.L. and C.U.L. listed. 5 year W.A.C. Lighting product warranty.

SFC Model:

SFC-150E-color

Available in Black (BK) or White (WT)

Description

The SFC-150E covers a standard 4" junction box and is a starting point for up to four separate track runs. A Live End Connector (SLE) is required for each track section to be energized. Mounting hardware included. Can be mounted to T-Bar ceilings with the addition of two (2) STBC clips.

Minimum load: 50 W

SFC-150E: 5 1/2"L x 4 7/8"W x 2 1/8"H

U.L. and C.U.L. listed. 5 year W.A.C. Lighting product warranty.
